

Happy Holidays & Peace On Earth

Peace On Earth has a design area measuring 110W x 120 H. We recommend stitching the design on 28 count DMC Linen (# 842). Use two strands of thread to stitch over two. You may stitch the star at the top of the tree or accent with a large gold snowflake (Mill Hill Treasure #12040). Finish the project with cording around the edges and use as a small pillow or ornament.
